LOUISVILLE, KY.
THURSDAY, SEPT. 28, 1858.

The Legislature of the Commonwealth of Kentucky is now in session at the capitol building in this city. The session is the first since the adjournment of the last session in 1857. The members of the Legislature are gathered here from all parts of the State, and the public are invited to witness the proceedings. The session is expected to be a busy one, with many important measures to be considered and passed.

The session of the Legislature is now in progress. The members are engaged in the consideration of various bills and resolutions. The public are invited to attend the sessions and witness the proceedings. The session is expected to be a busy one, with many important measures to be considered and passed.
